COVID-19 UPDATE

Hi ResLife Family!

We are so excited to announce the plan for reopening our campus! We have been prayerfully seeking guidance, carefully watching Covid-19 and the CDC's guidelines so we can have a safe experience and make the right decisions. Covid-19 has impacted us all in many different ways. We know this hasn't been an easy time for most. We do know that God takes what was meant for evil and He turns it for good. During this time, we have dramatically increased our online presence, donated food to families in need, and saw many calls to salvation nationwide and worldwide. Thank you, ResLife Family, for your support and prayers during this time.

Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.

- Joshua 1:9

CAMPUS REOPENING UPDATE

We have some exciting news to share as another step forward in returning to regular services! Beginning Sunday, September 6, Nursery + Preschool, ResKids, and ResYouth will be open for in-person services. On Sunday, September 13, Andrew Wommack will be speaking at all 3 services, including a healing service at 5 pm, which will be the start date for Sunday Night in-person services. We will still be offering online services as well.

During the week we are open during our office hours. Guests will be required to enter through door C, J, or G. Temperatures will be taken and you will be asked to answer a few health questions on disinfected touch screens. You will be required to wear your mask while entering, in the halls, and in common areas. For a reopening update of our other ministries, visit www.reslife.org/ministries.

HOW RESLIFE IS HELPING MINIMIZE EXPOSURE

- Hand-sanitizing stations have been placed throughout the building
- We encourage you to wear masks, but it's not required
- Please maintain a social distance of 6 feet
- High volume areas, including restrooms, are being thoroughly sanitized between services
- We will not be handing out bulletins, pens, or passing offering buckets
- Please refrain from attending in person services if:
 - You're not feeling well or have had a fever in the last 14 days
 - You have been in contact with anyone in the past 14 days that has tested positive for COVID-19
 - You're immunocompromised
